

## **Overcoming Racism Conference Workshop Honoraria Fund**

The Facilitating Racial Equity Collaborative, also known as FREC, is committed to removing economic or other barriers to participating in any of its programs or meetings as much as we are able. We encourage everyone who feels they have workshop material to engage communities to build an anti-racist society to submit a workshop proposal.

To remove potential economic barriers for those who face them, this year FREC is starting an Honoraria Fund to provide financial support to workshop presenters who need it so they can participate in this year's *Overcoming Racism: The Fierce Urgency of Now!* virtual conference to be held on November 12<sup>th</sup> and 13<sup>th</sup>, 2021.

FREC is a community-based, volunteer-driven organization that relies on donations from individuals and organizations. Because of this, the Honoraria Fund is limited. For the 2021 Overcoming Racism Conference, FREC is able to offer to those who are invited to present their workshop \$150 per workshop.

Presenters who would like to receive this honorarium should contact FREC at [info@overcomingracism.org](mailto:info@overcomingracism.org). No questions asked. If you make a request, we know you have the need and we will honor it.
