THE RACIAL EQUITY LEADERSHIP INSTITUTE

Driving Racial Equity in Education
2023 Learning Series

What is the RELI Learning Series?

Six online sessions (January-May)

Join us for facilitator led discussions and curriculum developed and inspired by the Smithsonian African American Museum of History and Culture program materials *Talking About Race*.

"If you want to move from reading/learning about anti-racism to action - this is a great next step."

- 2022 Participant

"I now know I need to recognize all of my students' identities and not just one or two of them."

- 2021 Participant

The 2023 RELI Learning Series aims to increase understanding about racial equity and empower participants to work for change within themselves, and to lead in their own organizations and communities.
